

Magdalena Bay - Watching T.V.

tom:

Intro: E

Too much watching TV

It's gonna rot you from the inside out

If you wanna reach me

Just leave a message and we'll work it out

(Gb Db)

Hello? How are you?

Just wanted to say

I miss you, so call me

Back someday

Hello? Where are you?

I'm calling to say

I miss you, so call me

Back

(E)

If you wanna be clean

You gotta scrub until blood comes out

Get the spots in between

Slip your skin right off and hang it out

(Gb Db)

Look out

Behind you

The shadows are near

They know what's been wrong with you

All these years

It's time to meet

The monsters around you

It's time to meet

Oh

The monsters inside you

It's time to meet

(Gb Dbm Db)

All that's left to bother me

Are dreams forgotten in the deep

It's not me

Nothing left to follow me

Nothing hanging underneath

It's not me

Hello? How are you?

Just wanted to say

I miss you, so call me

Back someday

(Db Gbm Dbm Bbm)

It's time to meet

The monsters around you

It's time to meet

The monsters inside you

Oh, oh, oh

It's time to meet

Oh

The monsters inside you

It's time to meet

Acordes
