

Maggie Rogers - Light On

Tom: A

(forma dos acordes no tom de G)
Capostrate na 2ª casa

Would you believe me now
If I told you I got caught up in a wave, almost gave it away
Would you hear me out
If I told you I was terrified for days, thought I was gonna break
Oh, I couldn't stop it, tried to slow it all down
Crying in the bathroom, had to figure it out
With everyone around me saying, "You must be so happy now"
Oh, if you keep reaching out, then I'll keep coming back
And if you're gone for good, then I'm okay with that
If you leave the light on, then I'll leave the light on

And I'm finding out, there's just no other way
That I'm still dancing at the end of the day
If you leave the light on, then I'll leave the light on
And do you believe me now
That I always had the best intentions, babe? Always wanted to stay
Can you feel me now
That I'm vulnerable in oh-so many ways? Oh, and I'll never change
Oh, I couldn't stop it, tried figure it out
But everything kept moving and the noise got too loud
With everyone around me saying, "You should be so happy now"
Oh, leave the light on
Oh, would you leave the light on
