

Maggie Rogers - Overnight

tom:
Capostrate na 3ª casa

[Primeira Parte]

^C
I remember way back, late night, throwback
Sitting on the front lawn, talking
When I lost it, and oh, I lost it
I remember you were saying you would come back, run back
Find me on the front porch like that
But you waited, so I got wasted
[Pré-Refrão 1]

And I've always said
I'd never let myself hold on this long
[Refrão]
'Cause people change overnight
Things get strange, but I'm alright
I'm still here, and I'm still high
And I'll still meet you in the middle of the night
But if you lie to me, lie to me, lie to me
I'm gone
[Segunda Parte]

I still wonder if I called you, what would I do?
Leave a too-long voicemail that I hate and then erase it
Like I planned it
And I wonder if I still lived in the city, would I see you at a party?
Take a big sip of my whiskey and then leave quickly
And pray you missed me
[Pré-Refrão 2]

And though I still know exactly how this ends
^C ^F
I keep holding on
[Refrão]

^{Fm} ^{Fm}
But if you lie to me
I'm gone
[Ponte]

^C ^G
Oh, I feel it in me, please forgive me
^{Am} ^F
Leave this memory, don't say you miss me
^C ^G
I know it's still in me, please forgive me

I'm gone
