

Maggie Rogers - Overnight

tom:
 Eb (forma dos acordes no tom de C)
 Capostraste na 3ª casa

[Primeira Parte]

^C
 I remember way back, late night, throwback
 Sitting on the front lawn, talking
 When I lost it, and oh, I lost it
^C
 I remember you were saying you would come back, run back
 Find me on the front porch like that
 But you waited, so I got wasted
 [Pré-Refrão 1]

And I've always said
^G ^C ^F
 I'd never let myself hold on this long
 [Refrão]

'Cause people change overnight
^F
 Things get strange, but I'm alright
^C ^G
 I'm still here, and I'm still high
^F
 And I'll still meet you in the middle of the night
^F ^{Fm} ^{Fm}
 But if you lie to me, lie to me, lie to me
 I'm gone

[Segunda Parte]

^C
 I still wonder if I called you, what would I do?
 Leave a too-long voicemail that I hate and then erase it
 Like I planned it
^C
 And I wonder if I still lived in the city, would I see you at
 a party?
^{Am}
 Take a big sip of my whiskey and then leave quickly
 And pray you missed me
 [Pré-Refrão 2]

^{Am} ^G
 And though I still know exactly how this ends
^C ^F
 I keep holding on

[Refrão]

'Cause people change overnight
^C ^G
 Things get strange, but I'm alright
^F
 I'm still here, and I'm still high
^C ^G
 And I'll still meet you in the middle of the night
^F
 You know, I'll meet you in the middle of the night
^{Fm} ^{Fm}
 But if you lie to me
 I'm gone
 [Ponte]

^C ^G
 Oh, I feel it in me, please forgive me
^{Am} ^F
 Leave this memory, don't say you miss me
^C ^G
 I know it's still in me, please forgive me
^{Am} ^F
 Leave this memory, don't say you miss me
 [Refrão]

'Cause people change overnight
^C ^G
 Things get strange, but I'm alright
^F
 I'm still here, and I must still be high
^C ^G
 'Cause I'll still meet you in the middle of the night
^F
 But if you lie to me, lie to me
^C ^G
 Change overnight
^F
 Things get strange, but I'm alright
^C ^G
 I'm still here, and I must still be high
^F
 But I'll still meet you in the middle of the night
 Oh, if you meet me in the middle of the night
^F
 You know, I'll meet you in the middle of the night
 But if you lie to me, lie to me, yeah, lie to me
^{Fm}
 I'm gone
