

# Magic Garage And Rainy Cakes - Mr. Silence

tom:

Am  
Walking on a noisy road  
F  
I search for silence if I don't find it  
G  
I will have to do it again

Am C  
I can only hear the screams  
F G  
It's like if everyone competes

Am C  
Hey Mr.Silence  
F G  
I want to hear your voice

Am C  
Hey Mr.Silence  
F G  
Sing for me, that song of peace

Am C  
Usually i can bear it, but  
F G  
This is one of those I want to scape

Am C  
In the middle of this chaos  
F  
I can see people like me  
G  
Like me, needing you

Am C  
Hey Mr.Silence  
F  
Is The violence the solution?  
G  
People are not polite

Am C  
Only you know what to do  
F G  
To bring this peace that we all need

Am C  
Now close your eyes  
F G  
Put your headphones and relax

Am C  
Hey Mr.Silence  
F G  
Where are you to bring us peace?

Am C  
Hey Mr.Silence  
F G  
Where are you to make us polite?

Am C  
Hey Mr.Silence  
F G  
Where are you Mr.Silence?

Am C  
Hey Mr.Silence  
F G  
Where are you Mr.Silence?
