         Em
Hey, baby, baby

    Your heart's too big
  D   G
To be treated small
                    Em
So please don't blame me, blame me
Am
   For trying to be the one
            D
Who could have it all

                 Em
You know that it's stupid, stupid
Am
   Telling you it's dark
  D   G
When you see the light
                 Em
And I know you ain't foolish, foolish

I could treat you right

So I say

Will I ever back down my sword

To protect our home
         Em
No way, no

Will I ever spend a day not

My sister, sister

Told me that love ever hits your eyes
                Em   Am
I promise you'll miss her, miss her
                D
The second that she walks

Right out your sight

                    Em   Am
So we should just do it
                      D
'Cause I don't want to risk
         G

Her being right
              Em   Am
Let's not be foolish
                      D
Don't you know that family never lies

I promise that
