Capostrate na 3ª casa

G Em
She's tried on everything

Am D
Every little thing inside her closet

G Em
And she knows it's getting late

Am D
Knows that I been waiting and I'm starving

G Em
Cause we been working overtime

Am D
She wants to make a night that we'll remember

G Em
And I'm staring at the time

Am D
Thinking it's alright, put on whatever

Am D
But I've been on my best behaviour

Am D
Pacing back and forth

Am D
And 10 thousand lifetimes later

C
When she walks through the door

G Em
I said hey you with the red dress on

Am D
I gotta find a way to take it off

G Em
I got a lot of love and it's growing strong

Am D
When I see you with your red dress on

G Em Am D
You in that red dress

G Em Am D
You in that red dress

G Em
Yeah, it's hard to concentrate

Am D

Finish up your plate, she whispers to me

G Em
But I got one thing on my mind

Am D
As they pour the wine and it's consumes me

Am D
But I've been on my best behaviour

Am D
Not to cause a scene

Am D
But when we finally get home later

C D
It's just you and me

G Em
I said hey you with the red dress on

Am D
I gotta find a way to take it off

G Em
I got a lot of love and it's growing strong

Am D
When I see you with your red dress on

G Em Am D
You in that red dress

G Em Am D
You in that red dress
