

# Mahalia - I Remember

Tom: **G**

**Bb**  
Woke up today jumped out of bed  
**Dm**  
Feeling kinda great cause you're on my head  
**Gm**  
Regrets and mistakes put it behind us instead  
**Eb**  
Back to the old days when we knew what lay ahead  
**Bb**  
And I was wondering if I was on your mind  
**Dm**  
But I'm so out of line I'll just get declined  
**Gm** **Eb**  
Cause you're happier this time without me in your life

**Bb**  
I remember how we used to be  
**Dm**  
I remember when you loved me  
**Gm**  
I remember when you made me cups of tea  
**Eb**  
And I remember how scared you were when you met my family  
**Bb**  
And I remember when I used to make you smile  
**Dm**  
I remember when you used to come around  
**Gm**  
I remember every time I had a frown you'd hold me  
**Eb**  
Until the stars came out and the sun went down

**Bb**  
I'm not saying that we can last forever  
**Dm**  
I just thinking that we could be much better  
**Gm**  
If you disagree then honey go get her  
**Eb**  
Don't bother writing an apologetic letter cause  
**Bb**  
Darlin' Darlin' I won't reply  
**Dm**  
You're so out of line and you'll just get declined

**Gm** **Eb**  
Cause I'm happier this time without you in my life

**Bb**  
I remember how we used to be  
**Dm**  
I remember when you loved me  
**Gm**  
I remember when you made me cups of tea  
**Eb**  
And I remember how scared you were when you met my family  
**Bb**  
And I remember when I used to make you smile  
**Dm**  
I remember when you used to come around  
**Gm**  
I remember every time I had a frown you'd hold me

Down down down down down  
**Bb**  
I remember how we used to be
