

Maisie Peters - Details

tom:

[Primeira Parte]

^G I don't wanna know the ^C details
^{Em} Don't wanna know where she's from
^G Or the New Year's that you met her
^D Just wanna know where you've gone
^C I don't wanna have to meet her
^{Em} Pretend we get along
^G Yeah, I know that's selfish and sudden and ^D wrong

[Refrão]

^C But I don't wanna talk about it
^{Em} 'Cause if I talk about it
^G Then you'll see I don't, I don't
^C Know what to do about it
^{Em} What to do about this feeling that I don't want
^{Am} But I'll keep it all to myself
^G If you spare me the details

[Segunda Parte]

^C I don't care about the mixtape
^{Em} What kind of cigarettes she smokes
^G Don't wanna hear about the one time
^D You made up in that park we'd always go
^C So I'll ignore her and she'll be really nice to me
^{Em} Yeah, I know I'm being bitter and jealous and mean

[Refrão]

^C But I don't wanna talk about it
^{Em} 'Cause if I talk about it
^G Then you'll see I don't, I don't
^C Know what to do about it
^{Em} What to do about this feeling that I don't want
^{Am} But I'll keep it all to myself
^G If you spare me the details

[Ponte]

^{Em} So you'll pull me over on a Friday night
^C Both a little drunk and you're asking why
^G I've been so off since late December
^D Say "I don't know, no I don't remember"
^{Em} Look, I don't think I want you to myself
^C But I know I don't want you with anybody else
^D Don't think you want to hear that either

[Refrão]

^C So let's not talk about it, let's not talk about it
^G 'Cause then we won't, no we won't
^C Have to do something about it
^{Em} We'll just dance around it
^G Until we know
^{Am} So I'll keep it all to myself
^C If you'll keep it all to yourself
^G And just spare me the details
