**Am**  
It was open and closing  
**F C**  
And hopelessly hoping for sure  
**Am**  
We were here, we were ghosting  
**F C**  
Both of us coasting on 'just give a little more'

[Pré-Refrão]

**G Am**  
It was all out my hands when you pulled the trigger  
**F C**

**G Am F**  
And I didn't flinch, and the lights didn't flicker and I  
**F**  
I fell apart
