

Maita - A Beast

tom:

E

[Primeira Parte]

E B
I do not speak of the ache in my shoulders
Gbm A
They bear the burdens I willingly paid for
E B
You have?your own they live deep in the folds?of your
Gbm A
Cynical mind like mice

Gbm A
And the skin on my hand became tough to the touch
E B Gbm A
Now they sleep deeply, you oil the crease in my palm
E B
And in all my dreams I'm more careful than kind
Gbm A
Keep my two hands clean and my tongue all nice and I
E B
Dare you and dare you to fool me twice
Gbm A
I'd pay any price to be right

[Pré-Refrão]

Abm A
'Cause you didn't speak until it got real bad
Abm
You didn't speak then you broke what you had
A
Let time run it's course

(E B Gbm A)
(E B Gbm A)

[Refrão]

E B Gbm A
I never could forget but I'll forgive like a dog
E B Gbm A
Somewhere in my bones these wounds they make their home but
I'm glad you're home

E B Gbm A
I wait by the door, licking the floor
E B Gbm A
How long can a man ignore a beast and her sores?

[Segunda Parte]

E B
I knew a girl who made bare of the world
Gbm A
'Cause the light that she wears takes more eyes than is fair
E B Gbm
She holds the weight of a heart that yearns foremost to love

E B
And I saw her love and read her lover's love
Gbm A
She burned red, I turned green did I know anything?
E B
Gbm A
But when push came to shove, love it wasn't enough, we know nothing

[Pré-Refrão]

Abm A
'Cause he didn't speak until it got real bad
Abm
He didn't speak, are we to go mad?
A
Must time run it's course?
