

Major Lazer - Be Together

Tom: **D**
(com acordes na forma de **C**)
Capostrate na 2ª casa

Am **Em**
Let me escape in your arms
G **Am**
Baby I'm yours, baby I'm yours
Am **Em**
Love don't come easy at all
G **Am**
I miss you so much, I miss you so much
Am **Em**
Tell me, is this freedom, baby?
G **Am**
Chasing after danger, making my heart race, woah
Am **Em**
Maybe if the stars align, maybe if our worlds collide
G **Am**
Maybe on the dark side we could be together, be together
Am **Em**
Maybe in a million miles, on a highway through the skies
G **Am**
Someday soon we'll be together
Am **Em**
He was a dreamer at heart
G **Am**
Chasing the stars, chasing the stars
Am **Em**
Wings spread to the sun
G **Am**
I miss you so much, I miss you so much
Am **Em**

Tell me, is this freedom, baby?
G **Am**
Chasing after danger, making my heart break, woah
Am **Em**
Maybe if the stars align, maybe if our worlds collide
G **Am**
Maybe on the dark side we could be together, be together
Am **Em**
Maybe in a million miles, on a highway through the skies
G **Am**
Someday soon we'll be together
Am **Em**
We'll be together, we'll be together
G **Am**
We'll be together, we'll be together
Am **Em**
We'll be together, we'll be together
G **Am**
We'll be together, we'll be together
Am **Em**
Maybe if the stars align, maybe if our worlds collide
G **Am**
Maybe on the dark side we could be together, be together
Am **Em**
Maybe in a million miles, on a highway through the skies
G **Am**
Someday soon we'll be together
Am **Em**
Maybe if the stars align, maybe if our worlds collide
G **Am**
Maybe on the dark side we could be together, be together
Am **Em**
Maybe in a million miles, on a highway through the skies
G **Am**
Someday soon we'll be together
