

Major Lazer - Cold Water

Tom: G

Everybody gets high sometimes, you know
What else can we do when we're feeling low?
So take a deep breath and let it go
You shouldn't be drowning on your own

And if you feel you're sinking, I will jump right over
Into cold, cold water for you
And although time may take us to different places
I will still be patient with you
And I want you to know

I won't let go
I'll be your lifeline tonight
I won't let go
I'll be your lifeline tonight

Verse 2:
Cause we all get lost sometimes, you know?
It's how we learn, how we grow
And I wanna lay with you 'til I'm old
You shouldn't be fighting on your own

Pre-Chorus:
And if you feel you're sinking, I will jump right over
Into cold, cold water for you

And although time may take us to different places
I will still be patient with you
And I want you to know

Chorus:
I won't let go
I'll be your lifeline tonight
I won't let go
I'll be your lifeline tonight

Bridge:
Come on, come on
Standing on a rocking boat
I just wanna stay afloat
I'm all alone
Now, now, someone come and take me home
Someone come and take my soul
I need you to know

I won't let go
I'll be your lifeline tonight
I won't let go
I'll be your lifeline tonight

I won't let go
I won't let go
