

Major Lazer - Cold Water

Tom: G

Everybody gets high sometimes, you know
 What else can we do when we're feeling low?
 So take a deep breath and let it go
 You shouldn't be drowning on your own

And if you feel you're sinking, I will jump right over
 Into cold, cold water for you
 And although time may take us to different places
 I will still be patient with you
 And I want you to know

I won't let go
 I'll be your lifeline tonight
 I won't let go
 I'll be your lifeline tonight

Verse 2:
 Cause we all get lost sometimes, you know?
 It's how we learn, how we grow
 And I wanna lay with you 'til I'm old
 You shouldn't be fighting on your own

Pre-Chorus:
 And if you feel you're sinking, I will jump right over
 Into cold, cold water for you

And although time may take us to different places
 I will still be patient with you
 And I want you to know

Chorus:
 I won't let go
 I'll be your lifeline tonight
 I won't let go
 I'll be your lifeline tonight

Bridge:
 Come on, come on
 Standing on a rocking boat
 I just wanna stay afloat
 I'm all alone
 Now, now, someone come and take me home
 Someone come and take my soul
 I need you to know

I won't let go
 I'll be your lifeline tonight
 I won't let go
 I'll be your lifeline tonight

I won't let go
 I won't let go
