Gbm

Baby, the crown is broken, but the circus goes on

B

Judges preach justice, with the verdicts all wrong

Db

A thief in the palace, velvet chains on display

Gbm

Money is fading away

Gbm

Baby, the walls built with slogans, painted red and white

B

Gbm  
They traded our future, with no turning back. Can you turn off the light?

Db

B

The prophets of power selling poisoned dreams

Gbm

Silence?s louder than it seems

[Solo] Gbm B Gbm Db B Gbm Db

Gbm Gbm  
Tariffs are rising, the markets collide

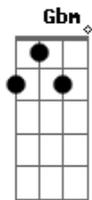

Gbm B

Flags are burning, there?s no place to hide

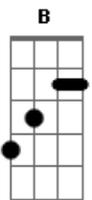

"Voices of freedom, buried in the ground

Gbm  
Silence of millions, no justice around."

"Hey listen?listen...listen me!  
The stage is burning, the actors all blind  
The people are sleeping, while they?re stealing your time  
The prophets are preaching, but the words are all hollow  
The thief keeps on lying  
And his kingdom is falling  
Who dares to follow? "
