

Mallu Magalhães - A Risk To Take

Tom: C

I always tell the same old story
 Someone who has been left by suppose may often
 I've been tell him all the same old glory
 But I don't even pay my rights
 Now I need a sign
 to know if it's fake cuz
 just look at you is fine
 but is love a risk to take
 my hands
 now you already got my attention
 I say
 soon this holiday ends
 I tell you so with some of my second intentions
 And I need a sign
 to know if it's fake cuz
 just look at you is fine
 but is love a risk to take
 me out
 now you already got my attention

I say
 you can take me all night long, now
 now you already got your song
 gaita
 C G F C
 Cuz I need a sign
 to know if it's fake cuz
 just look at you is fine
 but is love, is love a risk to take
 my eyes
 and tell me all about it through
 no, I don't like the sky
 when it run out of blue
 gaita
 C G F C C G F
 And I need a sign
 to know if it's fake and
 just look at you is fine
 but is love a risk to take
