Just because I'm insane

(riff 2)  
'Cause I still believe  
Love solves and saves  
Like urban doves flying wild wind waves  
Yeah, they don't look back

(riff 1)  
Don't, don't you look back  
Don't you fade away,  
Don't fade white to black  
Love drove me to you  
I don't wanna blame  
Because you drove me insane

Love solves and saves  
Like urban doves flying wild wind waves  
Yeah, they don't look back
