

# Mallu Magalhães - Dry Freezing Tongue

Tom: **F**

Intro:

**Bb**  
I wanna call you and suddenly hang up the phone  
**F**  
Just to feel those brave winds inside me going on  
**Bb**  
And that's all I need and you're just calling back  
**F**  
My rusty fingers scratch my weak falling neck

**Bb**  
Look how easy I am, am I just a cheap one?  
**F**  
That you can have your secret song just

whispering on the phone

**Bb**  
And that's all I need, that's my floor and stairs  
**F**  
That's my blood in tracks, that's my water and air

**Bb** **F**  
So, pass the time we are waiting  
**Bb** **F**  
Here goes the life I am playing

**Bb** **C** **F**  
Here goes another secret song,  
**Bb** **C** **F**  
That's me playing my dry freezing tongue,  
**Bb** **C** **F**  
Here goes another boy I keep  
**Bb** **C** **F**  
And here goes another job I quit
