

Mallu Magalhães - Shine Yellow

Tom: A

(intro) A

A
I tried to be shiny
but feeling lonely, I'm fading
as we don't even know when we'll be
living as one again

D
Oh, darling

A
don't you worry about it

A
It doesn't matter what comes over
when you hold me tight

and even when you're far away

I keep following the light of our love

A
so don't you worry about it

E
I'm strong by day, oh

D
So when the night falls down

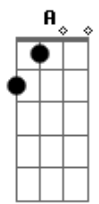

A
I feel a shadow

E
Get strong by day, oh

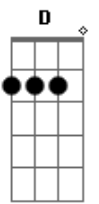

D
So when the night falls down

A
you can shine yellow!
