

# Mallu Magalhães - Youhuhu

Tom: **E** Toda estrela e sol te segue.

**E**  
I've arrived in the city where I'm gonna sing,  
If I'm gonna sing, I must take a walk,  
If I take a walk, I'm wathing some people,  
If I'm watching some people  
**A** **B**  
I thing about youhuhu, yeah, yeah, yeah...  
**E**  
There's no one like youhuhu, yeah...

**E**  
My grandma gave me this little guitar,  
This little guitar has been quiet for a while,  
If it's quiet a while, it needs some new songs,  
If it needs some new songs,  
**A** **B**  
I think about youhuhu, oh yeah...  
**E**  
All I write about is youhuhu, yeah...

( **A** **B** **E** )  
( **A** **B** **E** )

**A**  
Ai, ai, ai, moreno,  
**B** **E**  
Desse jeito você me ganha,  
**A**  
Esse teu chamego,  
**B** **E**  
O meu dengo e tua manha.  
**A**  
Ai, ai ai, moreno,  
**B** **E**  
Tua pele não há quem negue,  
**A**  
Cor de quente, coração,  
**B** **E**

**A** **B**  
Só vou se for com ele,  
**Dbm** **Gb**  
Eu tenho medo de avião,  
**A** **B**  
Se eu fico longe dele  
**Dbm** **Gb**  
Eu perco o norte e o chão.  
**A** **B**  
Só quero saber dele  
**Dbm** **Gb**  
E nada mais importa.  
**A** **B**  
Eu vou ficar com ele,  
**Dbm** **Gb**  
Que ele pega a minha mão  
**A** **B**  
E nunca mais me solta.
