I know how to speak^{Am}
 And I know where I'm going^{C G}
 I wanted to seek^{Am}
 But I got distracted^{C G}
 It's a mirage^D
 One that leaves me embarrassed^C
 Because no one knows me like you^G
 You know there's nothing left for you^D
 So I continually move^{Am}
 Try to pass it through for ya^C
 Cause I bore ya^D
 The past about pain^{Am}
 Is timeless and honest^{C G}
 So let go of your shame^{Am}
 It's a dead dampened blanket^{C G}
 It's a facade^D
 Back and look at your training^C

There's nobody else like you^G
 I think I finally explained it^D
 So I continue to move^{Am}
 Between the bank and the blanket^C
 Don't fake it^D
 I, I'm really gonna try this time^{C G}
 I'm gonna give you my heart in spite of my soul^{C G}
 I, I'm really gonna try this time^{C G}
 I'm gonna give you my heart in spite of my soul^{C G}
 I want your name^{Am}
 Burnt in my ceiling^{C G}
 Floats like a flame^{Am}
 An unpredictable wonder^{C G}
 You gave it all hope^D
 That all of this is a circle^C
 There's nobody else like you^G
 So many that came before ya^D
 This is the moment I choose^{Am}
 Between the hope and the hardest^C
 To be honest^D
 I, I'm really gonna try this time^{C G}
 Gonna give you my heart in spite of my soul^{C G}
 I, I'm really gonna try this time^{C G}
 Gonna give you my heart in spite of my soul^{C G}
