

Manchester Orchestra - The Silence

Tom: **Db**

(forma dos acordes no tom de **C**)

Capostrate na 1ª casa

Intro: **Dm C G Dm**

Dm **C** **G** **Dm**
Why do I deserve the science to feel better about you?

Dm **C**
At a loss I lost my cool

G **Dm**
I denied that I found you

Dm **C**
I tried to be a basket case

G **Dm**
I did not surprise you

Dm **C**
I'm trying to find a signal fire

G **Dm**
Let me know when I should move

F **C**
But you, amplified in the silence

Dm **G** **Dm**
Justified in the way you make me bruise

Dm **C**
Magnified in the science

G **Dm**
Anatomically proved

F **G** **Dm**
That you don't need me

(**Dm C G Dm**)

(**Dm C G Dm**)

Dm **C**
Why do I desire the space?

G **Dm**
I was mourning after you

Dm **C**
I was lost and lost my shape

G **Dm**
There was nothing I could do

Dm **C**
I don't want to waste away

G **Dm**
It was all I gave to you

Dm **C**
Take me back and take my place

G **Dm**

I will rise right up for you

F **C**
But you, amplified in the silence

G **Dm**
Justified in the way you make me bruise

Dm **C**
Magnified in the science

G **Dm**
Anatomically proved

F **G** **Dm**
That you don't need me

Dm **G**
All the while you waste away, you're asking

C **F** **Em** **Dm**
"Did I really need another one to take me down?"

Dm **G**
Everybody knows it's something that you had to live with

C **F** **Em** **Dm**
Nobodies gonna tear you down now

Dm **G**
There is nothing you keep, there is only your reflection

(**Dm C G Dm**)
(**Dm C G Dm**)

Dm
There was nothing but quiet retractions

C **G**
And families pleading, "Don't look in that cabinet, there's

far more bad than there's good,
Dm

I don't know how it got there"

Dm
That was something your father had burned in me

C
Twenty hours out of Homestake eternity

G **Dm**
"You can go anywhere but you are where you came from"

Dm
Little girl you are cursed by my ancestry

C
There is nothing but darkness and agony

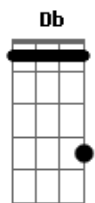

G **Dm**
I can not only see, but you stopped me from blinking

Dm
Let me watch you as close as a memory

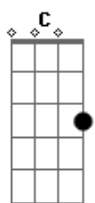

C
Let me hold you above all the misery

G **Dm**
Let me open my eyes and be glad that I got here
