(verse)

**Dm** **C** **Am** **Bb**

Some people tell me, that your not my kind

**Dm** **C** **Am**

And I'd believe them, but I can't get you out of my mind

(pre-refrão)

**Dm** **C**

Cause it feels right, you know it feels good

**Am** **Bb**

And I don't always do what I should

(refrão)

**Dm** **C**

I don't want to do right, I just want you tonight

**Am** **Bb**

Not just only in my dreams

**Dm** **C**

Save my best behaviour for a little later

**Am** **Bb**

Cause I'm only seventeen

(ponte)

**D** **Dm** **C** **C**

Anyone, who's ever been in love, has got to know

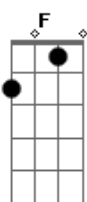

What it means to have a dream and no one can say anything to

Change my mind no not this time
