

Mandy Moore - I See The Light (Tangled)

```
Tom: F
  C
All those days
Watching from the windows
All those years
Outside looking in
All that time
Em F G
Never even knowing
C D
Just how blind I've been
Now I'm here
Blinking in the starlight
Now I'm here
Suddenly I see
Standing here
 Em
It's oh, so clear
 Am
        D
I'm where I'm meant to be
And at last, I see the light
And it's like the fog has lifted
And at last, I see the light
And it's like the sky is new
And it's warm and real and bright
And the world has somehow shifted
All at once
Everything looks different
Now that I see you
```
