tom:
G
[Primeira Parte]

B E B
People say it's nice to meet me
B E B
I've studied my reflection
E
I look me in the eye
Dbm
But I can't still draw conclusions
Dbm E
I'm still talkin' out of turn
Dbm
Now I ask too many questions
Dbm Gb
About the lessons I will learn
[Refrão]

B E B
Turns out all my mistakes were forgivable
E B
And the time I spent lost was a sign
E Abm
That all the ink is invisible
Dbm Gb B
If you give it, give it enough time

[Segunda Parte]

B E B
Now I think my eyes are open
E
I take a deeper dive
B E B
When I feel the blues around me
E
That's when I come alive
B Dbm
When it starts to feel too lonely
Dbm E
When it's out of my control
Dbm
When the world goes on without me
Dbm Gb
Will I feel it take its toll

[Refrão]

B E B
Turns out all my mistakes were forgivable
E B
And the time I spent lost was a sign
E Abm
That all the ink is invisible
Dbm Gb B
If you give it, give it enough time
If I give it, give it enough time
Just give it time
