F              A          G
Boy, I want to be where you are.
Dm                                G
Don't matter if you're near or you're far.
                          Am        E
You fill up my heart all the way to the top,
          C  Bb      G      Bb
And it's you,    I'm loving for always.

Dm              Am      G
Catch me, I'm a shooting star.
   C      F         Am           G
Make a wish, close your eyes, cross your heart.
  Am         F
Your love is so rare,
                     Am         Bb
And I'm glad that you're here in my arms.
         F          G
I'll love you for always.

Ab         C
Dreaming of you tonight,
F                      G
Praying that you will be mine.
Ab           C
Hoping you'll be holding me tight.
F                    Bm
Never ever letting me go,
   E             A
I need you to know...

D          A
One, two, three, four

Am         C
You came into my life,
G          C
Made everything go right,
Am
So sweet and tenderly
G
Unlock my love, you've got the key.

Am
Ooh, I'm so satisfied.
      G              C
This kind of love I just can't hide.
Dm        C     G    C
I'm gonna love you for always.

```
Dm       C  G                         D
I'm gonna love you (love you, love you, love you)
C  G
     Yeah...

          Dm          Am    D
Took my heart for a carousel ride.
         Dm      C    G
Made me feel brand new inside.
Dm               F
When I'm with you,
         C      Am    Dm    Bb
All that I seem to do is smile.

Dm            C    G
Boy, I'm floating on a cloud,
Am                           G
Wanna scream and shout it out loud.
       Am          C         Am
I found amazing grace in your eyes and your face.
      Bb        F       G
I'm in love with you for always.
Ab           C
Dreaming of you tonight,
