

## **Mangroov - Pain to Agree**

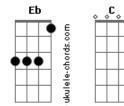

```
tom:
               Eb (forma dos acordes no tom de C )
Capostraste na 3ª casa
           (Riff 1)
(Riff 1)
Am G C G
I make my days a story you told
Am G C G
To pay my times to live in cold
Am G C G
A cure above my infancy
Am G C G
Lost behind my symphony
The angels, they crying for me
The angels, they make all we see
The angels, intend me to be
Dm C
An angel, who live on the street
Pardon me, pardon me
Dm Am7 C G
And now, we scream for greed
```

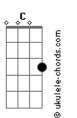

```
For now, remember deep \overline{\mbox{Dm}} \mbox{Am7} \mbox{C} \mbox{G}
Anyway, how happy could be?
Dm Am7 C G
Anyway, a pain to agree
 Am G C
Stay right here, and take your lucky

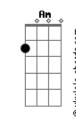

Am G C

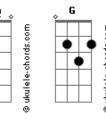

And how I could hide, my lonely love
Am G C G
And all my words, an ego lie
Am G C G
I did and turned to my own line
The angels, they cry for me
The angels, they make all we see
Dm
The angels, intend me to be
Dm
An angel, who live on the street
Pardon me, pardon me
Dm Am7 C G
And now, we scream for greed
Dm Am7 C G
For now, remember deep
Dm Am7 C G
Anyway, how happy could be?
Dm Am7 C G E7
Anyway, a pain to agree
```
