

Mangroov - Pain to Agree

tom:
 Eb (forma dos acordes no tom de C)
 Capostraste na 3ª casa

(Riff 1)

(Riff 1)

Am G C G
 I make my days a story you told
 Am G C G
 To pay my times to live in cold
 Am G C G
 A cure above my infancy
 Am G C G
 Lost behind my symphony

Dm C G
 The angels, they crying for me
 Dm C G
 The angels, they make all we see
 Dm C G
 The angels, intend me to be
 Dm C G
 An angel, who live on the street

F C G
 Pardon me, pardon me
 Dm Am C G
 And now, we scream for greed

Dm Am C G
 For now, remember deep
 Dm Am C G
 Anyway, how happy could be?
 Dm Am C G E7
 Anyway, a pain to agree

Am G C G
 Stay right here, and take your lucky
 Am G C G
 And how I could hide, my lonely love
 Am G C G
 And all my words, an ego lie
 Am G C G
 I did and turned to my own line

Dm C G
 The angels, they cry for me
 Dm C G
 The angels, they make all we see
 Dm C G
 The angels, intend me to be
 Dm C G
 An angel, who live on the street

F C G
 Pardon me, pardon me
 Dm Am C G
 And now, we scream for greed
 Dm Am C G
 For now, remember deep
 Dm Am C G
 Anyway, how happy could be?
 Dm Am C G E7
 Anyway, a pain to agree
