

Manu Gavassi - Crazy

Tom: **D**

D
I've never gone with the wind, just let it flow

G
Let it take me where it wants to go

A
Til you open the door, there's so much more

G
I've never seen it before

A
I was trying to fly but I couldn't find my wings

D
But you came along and you changed everything

D
You lift my feet off the ground

Bm
You spin me around

G
You make me crazier crazier

D
Feels like I'm falling and I am lost in your eyes

G
You make me crazier crazier crazier

D
I watched from a distance as you made life your own

G
Every sky was your own kind of blue

A
And I wanted to know how that would feel

And you made it so real

A
You showed me something that I couldn't see

D
You opened my eyes and you made me believe.

D
You lift my feet off the ground

D
You spin me around

G
You make me crazier crazier

D
Feels like I'm falling and I am lost in your eyes

G
You make me crazier crazier crazier Oh-oooh

A
Baby you showed me what livin' is for

A
I don't wanna hide anymore, Oh-oooh

D
You lift my feet off the ground

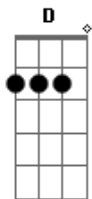

D
You spin me around

G
You make me crazier crazier

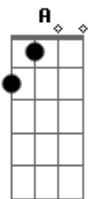

D
Feels like I'm falling and I'm lost in your eyes

G
You make me crazier crazier crazier crazier crazier
