Tom: E

m [Intro] G Am G Am

Am  
Build a fire of thousand miles away  
G Am  
To light my long way home

I ride a comet my trial is long to stay  
G Am  
Silence is a heavy stone  
C D Am  
I fight the world and take all they can give  
C G Am  
There are times my heart hangs low  
C D Am  
Born to walk against the wind, born to hear my name  
C G Am Bm Em  
No matter where I stand I'm alone

Em C D G  
Stand and fight live by your heart  
Am C  
Always one more try  
G D  
I'm not afraid to die  
Em C D G  
Stand and fight say what you feel  
Am Bm C G D Am  
Born with a heart of steel

Am  
Burn the bridge behind you, leave no retreat  
G Am  
There's only one way home  
Am  
Those who laugh and crowd the path  
Am  
And cut each other's throats  
G Am  
Will fall like melting snow

C D Am  
They'll watch us rise with fire in our eyes  
C  
They'll bow their heads  
G Am  
Their hearts will hang low

Then we'll laugh and they will kneel  
Am  
And know this heart of steel  
C G Am Bm
