Not a thing in the world could get between what we share
No matter where you at, no worry I'll be there
No one's got your back like I do
Even when the business ain't going well, we still cool
When I shine, you shine, always on your side
All my life you'll have what's mine
Mark my word, we gon' be alright
My brother, my sister we gon' be just fine

If it wasn't for you, I'd be alone
D              Bm              Gbm  G

A           Bm   G
Don't wait 'til I do wrong
                            A
Don't wait 'til I put up a fight
