

Mara Lima - Rastro da Cruz

tom:

Intro: Am D7 Bm Em7
Am7 D G C G

Cruz tão pesada, multidão a gritar
Coroa de espinhos, sua fonte a sangrar
Meu Jesus padecendo tristezas e dores
E a cruz tão pesada seu rastro deixou

No rastro da cruz as lembranças da dor
Porém nesses rastros se recorda o amor
G C D Bm7 Em

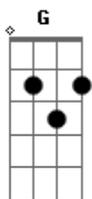

No rastro da cruz as lembranças da dor
Porém nesses rastros se recorda o amor

(Am7 D7 Bm Em7)
(Am7 D G C G)

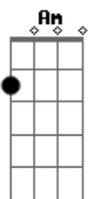

Muita gente chorava, não suportavam olhar
Aquele inocente a cruz arrastar
Mas no meio da estrada Simão ajudou
E a cruz que era minha Jesus suportou

Porém nesses rastros se recorda o amor
