

Maragá - Existo, Logo Amo

Tom: **A**

D Dbm Bm
Passa o tempo e eu tão longe
A
Do mar
D Dbm Bm A
Cá estou à espera de tocar
D Dbm Bm A
O refrão que diz que estou pra chegar
D Dbm Bm A
Verde mar, azul do céu, vou estar

F C E7
A saudade que vem sem bater
Am
Sei lá
F C E7
Onde andava enquanto eu vivia
Am

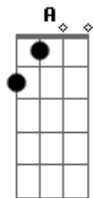

Sem lar

D Dbm Bm A
A verdade vem à tona sem bater
D Dbm Bm A
Eu cansei de me enganar, por tão pouco
D Dbm Bm A
O instante é o que importa agora

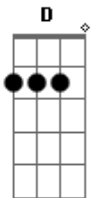

Afinal, existe algo além do agora?
Já foi

F C E7
A saudade que vem sem bater
Am
Sei lá
F C E7
Onde estava enquanto eu vivia
Am
Sem lar
