

Marc Ferr - In The Darkened Room

Tom: **G**
Intro: **Em C D C Em**

Solo:

In a **Em** darkened room
Beyond the **G** reach of god's faith
Lies the wounded, shattered remains of a love betrayed **C**

And the **Em** innocence
Of a **G** child is bought and sold
In the **D** name of the damned
The rage of the **C** angels left silent and cold

Pré-Refrão:

D Forgive me **Em** please
For what I **G** know not what I do **C**
D How can I **C** keep inside
The **Em** hurt I know is true? **C**

Refrão:

Tell me when the **C** kiss
Of love becomes a **Em** lie
That bears the scars of **G** sin too deep
To hide behind this **D** fear of running unto you **C** **Em** **D**

Please let there be light

In a darkened room

Solo do refrão:

(**Em C D C Em**)

Em All the **G** precious times have been put to rest again
And the **D** smile of the dawn
Brings tainted lust singing my réquiem **C**

Em Can I face the day when I'm tortured in my trust **G**
And watch it crystallize **D**
While my salvation it crumples to dust **C**

D Why can't I **C** steer the ship before it hits the storm **Em** **C**
D I've fallen to the sea but still I swim for shore **C** **Em** **G**

Refrão:

Tell me when the **C** kiss
Of love becomes a **Em** lie
That bears the scars of **G** sin too deep
To hide behind this **D** fear of running unto you **C** **Em**
Please let there be **D** light
In a **Em** darkened room
