Mulher da terra ao pé da serra velha menina

Voa e me ensina a ser passarinho

Que bebe da fonte e volta pro ninho

Cora, da casa da ponte

Dos versos, do tempo, do rio que leva

Segredos de Ana pra algum lugar

Coralina coragem Coralina coração

Flor do tempo força e vontade

Pedra por pedra Ana por Ana

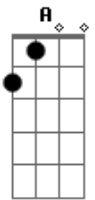

Cora senhora, no espelho de agora

A ponte, o rio, os sonhos de outrora

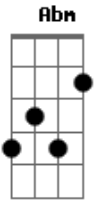

Mulher passarinho

Que bebe da água e volta pro ninho
