I would like to say looking into your eyes  
E A C B  
The distance won't keep us apart

But I was so anxious

I was so afraid to lose you

Now I feel so confused  
  
E A Db B  
Forgive me for making you cry

My heart melts when you smile

My world, my world is beautiful when you laugh

Where you go, I'll be there

Just wait for me my dear
