

Marcelo Nakamura - Leseira Baré

Tom: C

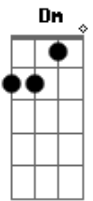

Vem lá do norte essa saudade que aperreia
da caboquinha do banho na ribanceira
do sol batendo no rio, a rosa flor que se abriu
deitado a balançar na minha rede
deitado a balançar na minha rede

De manhãzinha meu café com tucumã
e a tapioca peneirada pela cunhantã
colhendo fruta no pé, numa leseira baré
a toa num banheiro e cafuné
Leseira baré, leseira baré
é nós a toa num banheiro e cafuné.
