 Aperta, beija, pula em cima

 Vê se mata essa saudade

0 seu lugar no coração

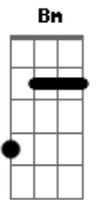

Ei! Você do cabelo enroladinho  
 Tá na hora da merenda  
 Da mousse de chocolate  
 Do frappé de abacate e da torta de limão  
 Põe queijo, banana, presunto  
 Pra comer junto com pão

Ei! Você do cabelo enroladinho  
 Vem que o sol já tá frouxinho  
 E o maiô já tá na mão  
 Pega a bóia, o pé-de-pato  
 E tudo o que for aparato  
 Dá tempo de chamar mais um  
 Vem correndo! Agora! Vai...! Tchibum!
