Bb7 Eb7 Bb7 Eb7 Bb7

Detrás das Montanhas de Minas Gerais

Minas de águas puras; Do Amor

Te vejo surgindo

Ao longe que Lindo

Sonhos se encontrando

O amor

Que brota nas Minas

Nas Minas Gerais

Que esta no arco iris

Que vem do interior

Do interior d'Alma

Do coração que fala

Somos pássaros voando

Somos as flores brotando

Somos sonhos se encontrando

O amor
