

# Marcio Novaski - Pink Bike Girl

tom: [Primeira Parte]

She was so young  
When our eyes met each other  
And I was so in love  
Could not take my eyes off her

She was so sweet  
Her face looked like an angel  
My heart almost stopped  
And I needed to surrender

[Ponte]

To those eyes  
To that mouth  
To that little beautiful smile

To that voice  
That I heard  
And it took my heart for a while

[Refrão]

I'm in love  
With the pink bike girl and I want her  
Beside me for the rest of my life

That's the answer

I'm in love  
With the pink bike girl and I want her  
Beside me for the rest of my life  
That's the answer

[Segunda Parte]

To all my questions  
And all my life, there's no more doubts  
Just you and I  
To all my questions and all my life

There's no more doubts  
In all my life  
Cos' you're mine!

[Refrão]

I'm in love  
With the pink bike girl and I want her  
Beside me for the rest of my life  
That's the answer

I'm in love  
With the pink bike girl and I want her  
Beside me for the rest of my life  
That's the answer
