

Marcio Padula - Há Quem Me Espera Na Vida

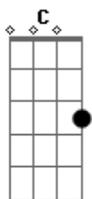

Tom: C

Intro: Am G F E7 Am G F E7 Am G B E7

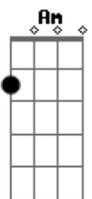

Buscando a volta não conto lamentos
 Se vem mal tempo o machado é o tormento
 Pros desgarrados meu laço no espaço
 Se a corda é branca mato no cansaço
 Assim apeio na sombra do tempo
 Minha bragada descansa sabendo
 Que a Morena me mandou recado
 É quase um dia de estrada puxado
 A tarde já vem caindo
 Na vincha levo uma flor
 No peito tenho a certeza

Que a Morena espera este cantor
 Há quem me espera na vila
 Há quem me espera na vida
 Já vou chegando e encontra a mais bela
 Mirando ao longe o amor na janela
 Ao trote largo com peito apertado
 Apeio firme no rancho barrado
 Chego no rancho entrego a flor pra ela
 Com o raso dou um beijo nela
 Abraça forte este teu cantor
 Te dou minha vida pelo teu amor
 A tarde já vem caindo...
