Gbm

Gbm

It's not good enough for me
E D Dbm

Not being here with you, uh, uh
Gbm

It's not gonna work for me
E D Dbm

Nobody can equal you, I know
Gbm

I'm gonna sip on this drink till I'm fucked up
E

Though I know that won't help me
D

I'm tryin' to think about
Dbm

If you were here with me why wouldn't you tell me?
Gbm

And even though I know your gone
E

I'm not alone

D

Last night I saw you in my dreams
Dbm

And every single night can't wait to fall asleep, eyy
Gbm

'Cause you are unforgettable
E D Dbm

Why did you have to go? uhhhh, uh
Gbm

You never did wrong, never hurt nobody
E

Could be why God took you away in a hurry
D

But can we just talk 'cause I need somebody
Dbm

Where are you now? I'd tell nobody
Gbm

'Cause you are unforgettable
E D Dbm

Why did you have to go? uhhhh, uh
Gbm

You never did wrong, never hurt nobody
E

Could be why God took you away in a hurry
D

But can we just talk 'cause I need somebody
Dbm

Where are you now? I'd tell nobody
Gbm E

No, you can't buy time with money
D

But I wouldn't care how much I loose
Dbm

Just for one more day with you
Gbm

I'm gonna sip on this drink till I'm fucked up
E

Though I know that won't help me
