

Marcos Góes - Doce Espirito

tom: E

Há um doce Espírito aqui
 E eu sei que é o Espírito de Deus
 Já podemos todos perceber
 A presença de Jesus o Salvador

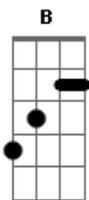

Doce presença, presença Santa
 Vem sobre nós
 Enchendo-nos do teu poder
 Te adoraremos por tua presença aqui
 E que renovará os nossos corações
 Louvado seja o Senhor

Se te achas salvo e ao invés
 Estais débil, oprimido e sem vigor
 Rende-te a presença do Senhor
 E o Espírito te encherá de amor

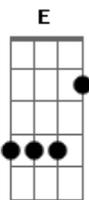

Doce presença, presença Santa
 Vem sobre nós
 Enchendo-nos do teu poder
 Te adoraremos por tua presença aqui
 E que renovará os nossos corações
 Louvado seja o Senhor
 E que renovará os nossos corações
 Louvado seja o Senhor
