

# Marcos Lopes - Perto de Mim

G tom:

Dbm A

Toda noite nos meus sonhos

Belos tormentos para amar

Entre a agua e o prescipicio

Desejo e vicio a encontrar

Se e loucura ou pura pratica

Para aumentar a ilusao  
Descendente ao amor perfeito  
Fruto da imaginacao

Te vejo aqui perto de mim mais voce parece esta tao longe

Talvez voce queira meu fim quando me diz que nao sou seu homem (2x)

Dbm B A  
Ate entendo as circunstancias  
Nao podemos nos culpar  
A vida muda os nossos passos  
Sem se quer nos perguntar  
Enquanto os sonhos vao crescendo  
E invadindo a frustacao  
Qual e a logica da existencia  
De um pobre coraçaõ

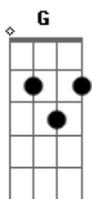

( Dbm B A )

Pare de enganar pare de mentir pra mim  
Cansei de te esperar e inutil insistir (existir)

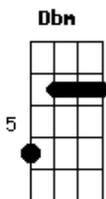

Te vejo aqui perto de mim mais voce parece estar tao longe

Talvez voce queira o meu fim quando me diz que nao sou seu homem (2x)
