

Marcos Yury Deeper - Idiot

Tom: C

Why, why, why am I so idiot?
Why, why, why am I so idiot?

Thieves rob me
This is so normal
They just want it
They break me down

F Em F Em G

I was born this way
Just a fool inside
I always believe in any other guy
I don't give a fuck
If they will let me die

I won't think this is wrong
Because they're alright

They ate my brain
They broke my heart
Now I got a plan
Gonna kill that pure boy

I wanna be bad
I need to be bad
I wanna be bad
I need to be bad

Why, why, why am I so idiot?
Why, why, why am I so idiot?
