Parte 1:

**C**

You can stay here for tonight

It's too late to say goodbye

**F7M**

Just let me hold you tight

**C**

Cause it's so cold outside

**C**

Let me wrap you in my arms

Put you head right next to mine

**F7M**

Forget about last night

**C**

Cause it's too cold outside

Pré Refrão:

**D**

**F7M**

Oh take my hand tonight

Refrão:

**C**

So let's just take new photographs

Forget about it let me make you Laugh

**D**

Cause we can be all we want to be

**F7M**

**C**

Let's just make great new memories

Parte 2:

**C**

Let me take you for a ride

Feel the wind change all our lives

**F7M**

I'll make you feel alive

**C**

Just stay with me tonight

**C**

Let me pour you with some wine

Look inside for that new record

**F7M**

Give me that sign

**C**

I'll make you mine

Pré Refrão:

**D**

**F7M**

Oh dance with me tonight

Refrão:

**C**

So let's just take new photographs

Forget about it let me make you Laugh

**D**

Cause we can be all we want to be

**F7M**

Let's just make great new memories

**C**

So let's just take new photographs

Forget about it let me make you Laugh

**D**

Cause we can be all we want to be

**F7M**

Let's just make great new memories

Parte 3:

**C**

Oh taking back something so lost

**F7M**

You will fall in love with me somehow

**C**

I'm taking it all to me

I'm taking it all

**C**

So let it hit me hard

Hit me stronger

F7M

Can you feel the air

C

Now we all can be free

We all can be free

Refrão:

C

Let's just take new photographs

Forget about it let me make you Laugh

D

Cause we can be all we want to be

F7M

We can be all

C

So let's just take new photographs

Forget about it let me make you Laugh

D

Cause we can be all we want to be

F7M

Let's just make great new memories
