Gbm E D

But If I'd never try I'd never know
  Sometimes it feels right to do the wrong thing
  A Now I know, that you won't come back
But I still need to be with you
  And it's all in my head, but \underline{\mathbf{I}} need you baby
 It went all so fast, but I'm going crazy
  It felt so wrong when we made love in the kitchen \begin{tabular}{c|c} E & D & A \end{tabular}
Next to the room where my ex was sleeping
  And I don't know why, it got so complicated
    Now I can't, keep you of my head
But In your toughs I might be long dead
    And I traced back, every single step

Sometimes it feels right to do the wrong thing
   So let's try again, for all the things you said
         Gbm E
I never wanted to let you upset
 And it's all in my head, but I need you baby
 it went all so fast, but I'm going crazy
 It felt so wrong when we got drunk on the beach
  Making out right next to the police
 And I don't know why, it got so complicated
( D A )
  Your so sweet, yet so crazy
  So innocent, yet so amazing
 And it's all in \underline{m}y head, but \underline{I} need you baby
 it went all so fast, but I'm going crazy
 It felt so wrong when we made love in the kitchen
                          D
  Next to the room where my ex was sleeping
 And I don't know why, it got so complicated
 And I don't know why, it got so complicated
