

Marcos Zeeba - Young Again

Tom: D

(forma dos acordes no tom de Db)
Capostrate na 1ª casa

I'm knocking on your door
Been standing here for hours
One last time I need to see your face
Sang your favorite song
Tried to buy you flowers
Feeling down for what I did back then
I quit my job too soon
Moved to the city
Let you all alone
We were young back then
Didn't drive you home
Got drunk and stupid, oh-oh

[Refrão]

We were young back then
Now you're all that I can think about, yeah
Can't remember why I left
I was wrong when I said I don't care
(F Em Am)
(F Em Am)

[Refrão]

I was young back then
Now you're all that I can think about, yeah
Can't remember why I left
I was wrong when I said I don't care
I'm knocking on your door
Been trying this for days
If I try one more time

Your neighbors might think I'm insane
I tried to reach her out
Then she changed her phone number

Here I am, I hope it's all it takes
I should have waited for you
We'd move to the city
Never be alone, let's be young again
But I didn't drive you home
Got drunk and stupid, oh-oh
[Refrão]
We were young back then
Now you're all that I can think about, yeah
Can't remember why I left
I was wrong when I said I don't care
Let's be young again
Let's be young again

I was young back then
Now you're all that I can think about, yeah
Can't remember why I left
I was wrong when I said I don't care
Tell me what you want
Tell me what you need
We can be young again
Tell me what you want
Tell me what you need
We can be young again
We can be young again
We can be young again
You're all that I can think about, yeah
Can't remember why I left
(F Em Am)

Knocking on your door
Been standing here for hours
One last time, I need to see your face
