Aadd9
It was great at
E
The very start
B **Abm**
Hands on each other
Aadd9
Couldn't stand
E
To be far apart
B **Abm**
Closer the better
Aadd9
Now we're picking fights
E
And slamming doors
B **Abm**
Magnifying all our flaws
Aadd9
And I wonder why
E
Wonder what for
B **Abm** **A**
Why we keep coming back for more

Aadd9 **E**
Is it just our bodies?
B **Dbm** **B**
Are we both losing our minds?
Aadd9 **E**
Is the only reason
B
You're holding me tonight
Dbm **B**
'Cause we're scared to be lonely?
Aadd9 **E**
Do we need somebody
B **Dbm** **B**
Just to feel like we're alright?
Aadd9 **E**
Is the only reason
B
You're holding me tonight
Dbm **B**
'Cause we're scared to be lonely?

Aadd9 **E**
Too much time, losing track of us
B **Abm**
Where was the real?
Aadd9 **E**
Undefined, spiraling out of touch
B **Abm**
Forgot how it feels
Aadd9
All the messed up fights
E
And slamming doors
B **Abm**
Magnifying all our flaws
Aadd9
And I wonder why
E
Wonder what for
B
