

Marden - Bem Que Se Quis

tom:

Intro: E A7M E

Bem que se quis

Depois de tudo ainda ser feliz

Mas já não há caminhos pra voltar

E o que que a vida fez da nossa vida

E o que que a gente não faz por amor

Mas tanto faz

Já me esqueci de me esquecer porque

O teu desejo é meu maior prazer

E o teu destino é querer sempre mais

A minha estrada corre pro seu mar

Agora vem pra perto, vem

Vem depressa, vem sem fim

Dentro de mim que eu quero sentir o seu corpo

Pesando sobre o meu

Vem, meu amor, vem pra mim

Me abraça devagar, me beija e me faz esquecer
